The »International Come Together« is the network meeting for international specialists, students and interested parties in the Karlsruhe Technology Region: an ideal opportunity to make valuable connections, benefit from different experiences and exchange ideas with like-minded people.

All appointments are to be viewed independently of each other – you can take part once, twice – or continue to come back. Participation is free of charge.

registration at: welcome@trk.de

We look forward to meeting you!

The Welcome Center TechnologieRegion Karlsruhe is a central contact point for international professionals who want to live and work in the Technology Region Karlsruhe and for companies that want to employ international professionals.
